The David Weinberg Gallery Scholarship Program recognizes ONE outstanding Marwen Alumni who is currently enrolled in an art or art related college program as a full-time student and intends to continue into the 2010-2011 academic year. The DWG Program is a competitive, need and merit-based program. Preference will be given, but not limited, to applicants currently attending college in Chicago, IL or the Midwest. The DWG Scholarship Program was established to assist this art major with tuition as well as art materials and supplies.
